

Home

The home page will have a service category (e.g. housecleaning, plumbing, etc) and a search box where the user can input in the name of business.

Search Results

Displays the search results with links to the business profile page or the contact page. The search category is shown. The wireframe is missing the business names but those will be shown on the web page.

Form for creating a user account/profile. Address, City, and State will be optional. Everything else will be required.

Create Business

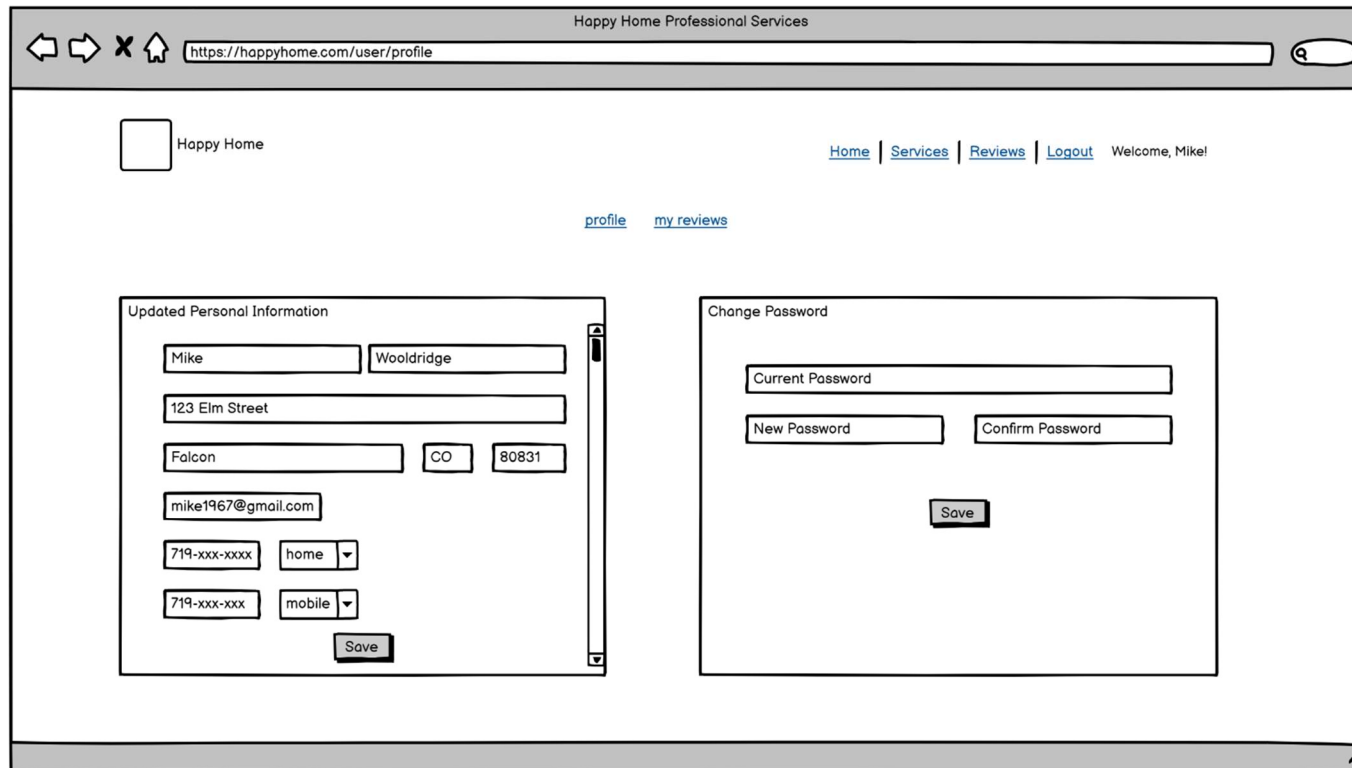

The screenshot shows a web browser window with the title 'Happy Home Professional Services' and the URL 'https://happyhome.com/create/business'. The page features a 'Happy Home' logo and a navigation menu with links to Home, Services, Reviews, Login, and Create Account. The main form is titled 'Business Info' and contains the following fields:

- Business name
- Street Address
- City, State
- Zip Code
- Email
- Web URL
- Phone (with a placeholder 'xxx-xxx-xxxx' and an 'add phone' button)
- username
- password
- Description (a large text area)

A 'Submit' button is located at the bottom of the form.

Form for creating a business account/profile. Street address, city, state, and web url will be optional but all other fields are required.

User Profile

A browser window titled "Happy Home Professional Services" displays the URL "https://happyhome.com/user/profile". The page header includes a "Happy Home" logo, navigation links for "Home", "Services", "Reviews", and "Logout", and a welcome message "Welcome, Mike!". Below the header, there are two links: "profile" (active) and "my reviews". The main content area is divided into two sections. The left section, titled "Updated Personal Information", contains a vertical scrollable form with fields for first name ("Mike"), last name ("Wooldridge"), address ("123 Elm Street"), city ("Falcon"), state ("CO"), zip ("80831"), email ("mike1967@gmail.com"), and two phone numbers with dropdown menus for "home" and "mobile". A "Save" button is at the bottom of this section. The right section, titled "Change Password", contains fields for "Current Password", "New Password", and "Confirm Password", with a "Save" button below them.

Update 12/12/2020

Experienced Electric ★★★

Update 06/25/202

Displays a history of reviews left by the logged in user including the name of the business who received the review and the rating. The text and star rating are editable and are finalized with the update button. The profile link brings the user back to the user profile page. The 'my reviews' link goes to this page but may be hidden when on this page.

Business Profile

The screenshot shows a web browser window with the address bar displaying `https://happyhome.com/business/profile`. The page title is "Happy Home Professional Services". The main content area is titled "Business Profile" and contains three sections: "Update Personal Information", "Change Password", and "Business Description".

Update Personal Information: This section contains several input fields for personal details. The first row has two fields: "Rochelle" and "Massey". Below them is a single-line text field for "Precise Detail Cleaning". The next row has a single-line text field for the website "https://precisedetail.com". Below that is a single-line text field for the address "1111 Main Street". The next row has three fields: "Colorado Springs", "CO", and "80917". Below that is a single-line text field for the email "precisedetail@webhost.com". The final row has two rows of phone number fields: "719-xxx-xxxx" with a dropdown menu set to "work", and "719-xxx-xxx" with a dropdown menu set to "mobile". A "Save" button is located at the bottom right of this section.

Change Password: This section contains three input fields: "Current Password", "New Password", and "Confirm Password". A "Save" button is located at the bottom center of this section.

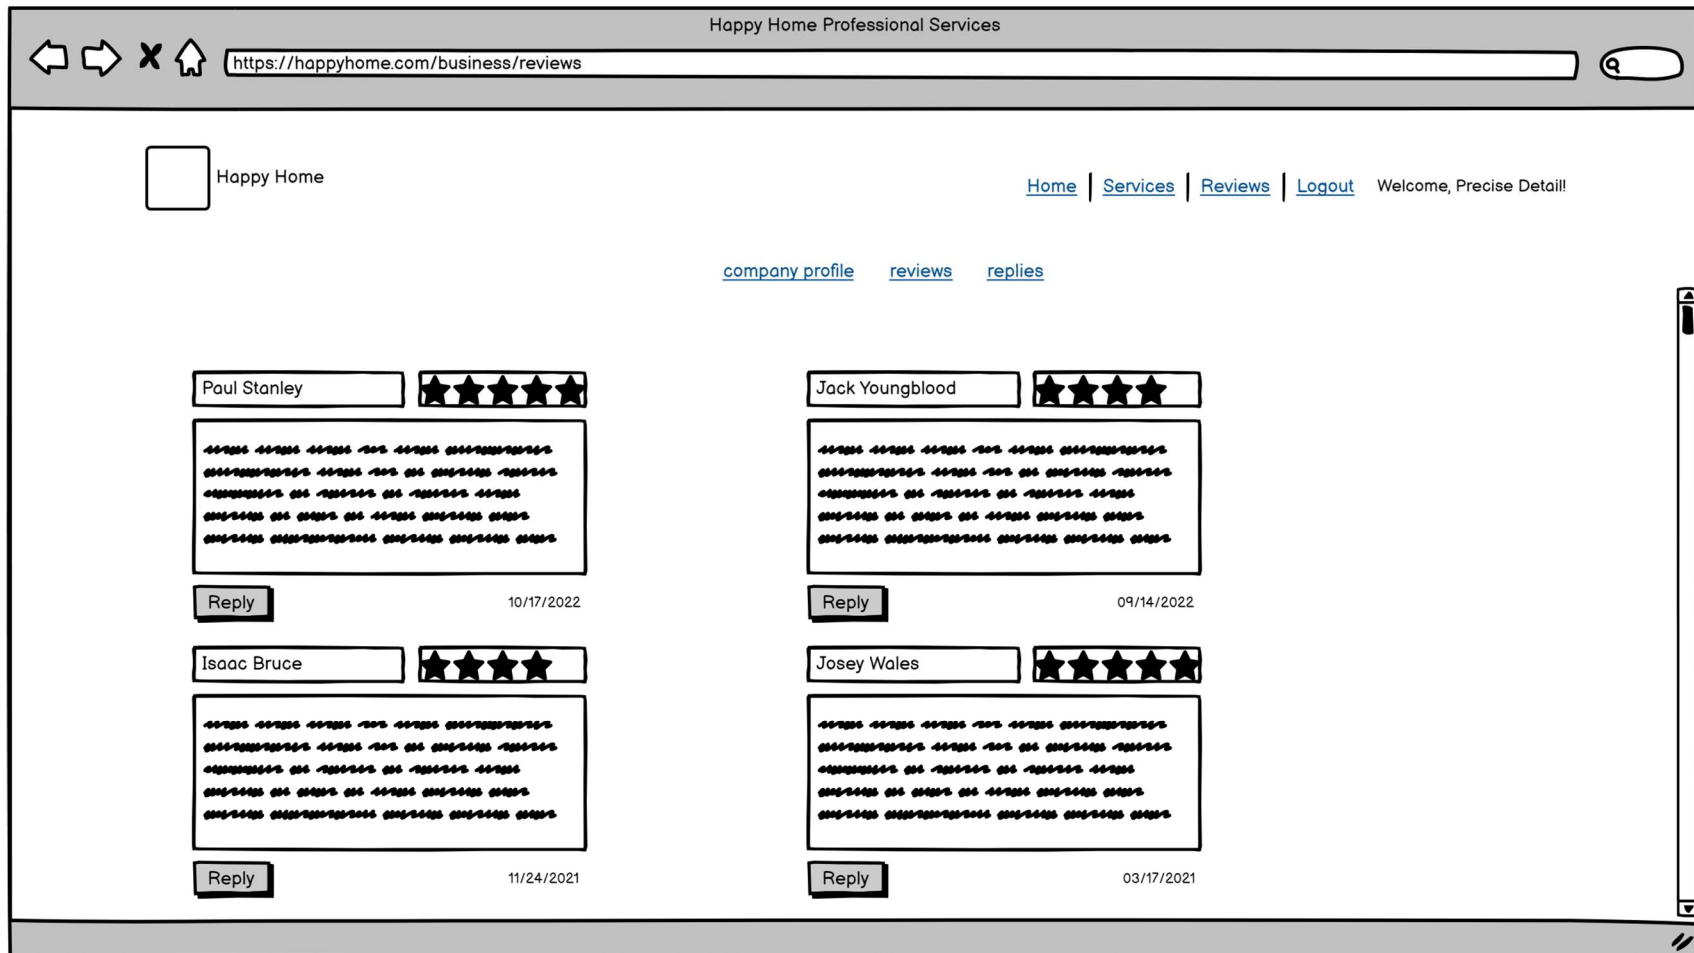

Business Description: This section contains a large text area for the business description. The text area is currently empty, showing only a placeholder for the business description. A "Save" button is located at the bottom right of this section.

Photos: This section contains three input fields for photo paths: "c:\photos\photo1.jpg", "c:\photos\photo2.jpg", and an empty field. Each field has a "Browse" button next to it. A "Save" button is located at the bottom center of this section.

The page also features a navigation bar with links: [Home](#), [Services](#), [Reviews](#), [Logout](#), and a welcome message "Welcome, Precise Detail!". There are also links for [company profile](#), [reviews](#), and [replies](#).

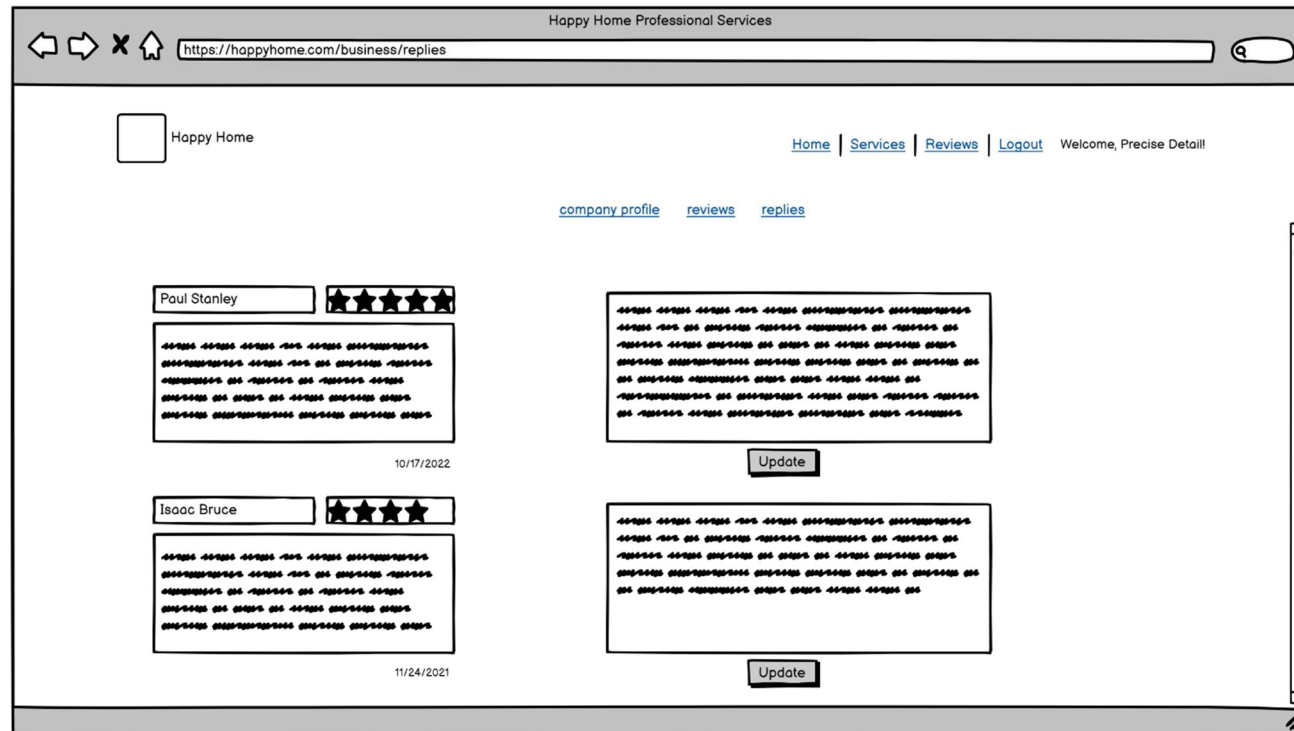

Display of business profile information. All fields are editable and can be updated at the click of the Save buttons. The link for profile brings the logged in user to this page and the link may be hidden while on this page. The 'my reviews' link goes to the user reviews page with a list of reviews left for the company by various users.

Business Reviews

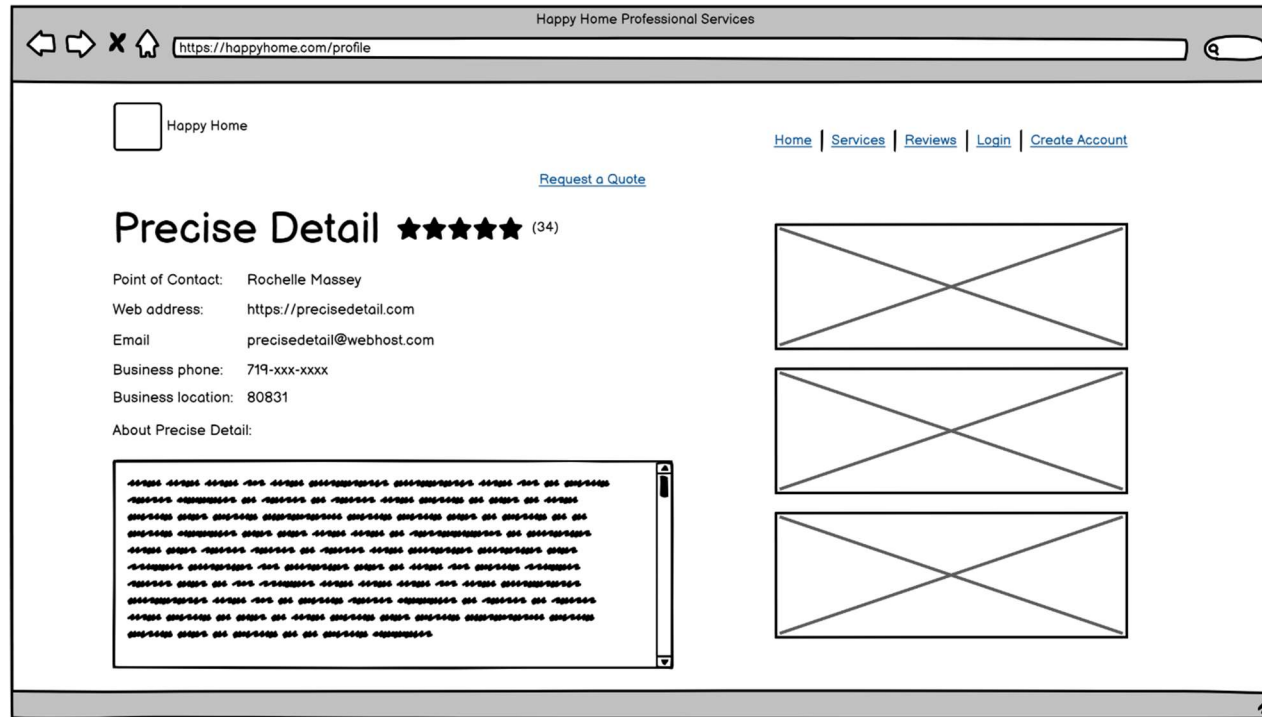

Gives a list of reviews left for the currently logged in business. The business may reply to any of the reviews. The links for company profile, reviews, and replies are explained in the Business Profile wireframe.

Business Replies

Shows a list of reviews left for the business that were replied to by the business. The replies are editable.

Business Profile Display

This page is rendered from clicking profile on the search results page. It displays information from the business profile including photos. Clicking 'Request a quote' renders the quote page where the user can enter information that will be forwarded to the business.
